PUBLIC UTILITY COMMISSION  
FILING CLERK

**COMMISSION STAFF'S AMENDED SUPPLEMENTAL RECOMMENDATION ON  
ADMINISTRATIVE COMPLETENESS**

**COMES NOW** the Staff of the Public Utility Commission of Texas (Staff), representing the public interest and files this Amended Supplemental Recommendation on Administrative Completeness in response to Order No. 2 and would show the following:

**I. BACKGROUND**

On March 15, 2017, Vineyard Ridge, LLC (Vineyard Ridge) filed an application to obtain a water Certificate of Convenience and Necessity (CCN) in Gillespie County. On May 3, 2017, Vineyard Ridge supplemented its application.

On June 21, 2017, the administrative law judge (ALJ) issued Order No. 3 which found Vineyard Ridge's application administratively complete pursuant to Staff's recommendation on June 16, 2017 supplemental recommendation on administrative completeness. Staff now files this amended recommendation to correct an error in the attached notices.

**II. COMMENTS ON ADMINISTRATIVE COMPLETENESS**

Staff has reviewed Vineyard Ridge's petition and supplement, and, as supported by the attached memorandum of Fred Bednarski of the Water Utilities Division, Staff still recommends that the application be found administratively complete and deemed sufficient for filing.

**III. NOTICE REQUIREMENTS**

In its original recommendation, Staff included a notice that inadvertently understated the size of the area to be certificated. Staff has attached a corrected notice that the Applicants must

provide to any districts, utilities, and cities within two miles of the proposed service area, the county judge of Gillespie County, each groundwater conservation district and city with an extraterritorial jurisdiction that is wholly or partly included in the proposed area to be certified. In addition to those systems identified in the Application, Staff recommends that Applicants notify the entities identified in the attached memorandum.

Further, Staff has attached the affidavit the Applicants must sign and file with the Commission after providing notice in accordance with 16 TAC § 24.112(c). Additionally, the Applicants should provide an accurate map delineating the proposed area with each mailed notice. Staff recommends that Applicants publish notice once each week for two consecutive weeks in newspapers of general circulation in Gillespie County.

At this time, Staff recommends that the Applicants be allowed to proceed with providing notice for the proposed transaction and be given until July 17, 2017 to provide proof of notice to the Commission.

It is recommended that the Applicant use the attached notice and affidavits to meet these requirements.

#### **IV. PROPOSED PROCEDURAL SCHEDULE**

Staff proposes no changes to the procedural schedule.

#### **V. CONCLUSION**

Staff respectfully requests the issuance of an order consistent with the above recommendation.

Dated: June 23, 2017

Respectfully Submitted,
