To whom it may concern:

My name is Tracey Lerich, President of Lil Countryside WSC and we are seeking an exemption from running a public notice in the newspaper.

Lil Countryside was instructed to run a full page ad^{*} in the Hunt County newspaper. Our VP, Tracy Smith was informed it would cost 842\$. At this time we still haven't received our license (CCN) to collect money from this water system.

We are a small system w/14 connections. On 5-23-16 we were told by TCEQ that we had to form a water supply Corporation or drill personal wells. We are under ^{the} temporary management of Paula Weber w/ Ables Springs WSD, * since 7-2016.

We have complied w/all other procedures set out by PUC, TCEQ, SDS, Hunt City + TRWA. But because of the cost to run this ad we regrettably can't comply. We have no bank account + no funds coming in. I personally have spent 445\$ out of pocket + I just don't have anymore money to invest. My husband is out of work after having 2 strokes, since 3-26-15.

We seek relief from this one requirement. We have notified all surrounding water systems + property owners w/ 25 acres or more.

Thank you for your consideration

sincerely

Tracey Lerich

You may request a public hearing. A request for a public hearing must be in writing and include: (1) your name, mailing address, and daytime telephone number; (2) the Utility name, docket number or another recognizable reference to this application; (3) the statement, "I/we request a public hearing"; (4) a brief description of how you or the persons you represent would be adversely affected by the granting of the application for a CCN; and (5) your proposed adjustment to the application which would satisfy your concerns and cause you to withdraw your request for a hearing.

Hearing requests, comments or requests to intervene should be filed with the:

Public Utility Commission of Texas
Central Records
1701 N. Congress, P. O. Box 13326
Austin, TX 78711-3326

within thirty (30) days from the date of this publication or notice. A public hearing will be held only if a legally sufficient hearing request is received or if the Commission on its own motion requests a hearing. Only those individuals who submit a written request will receive notice if a hearing is scheduled.

If a valid public hearing is requested, the Commission will forward the application to the State Office of Administrative Hearings (SOAH) for a hearing. If no settlement is reached and an evidentiary hearing is held, SOAH will submit a recommendation to the Commission for a final decision. An evidentiary hearing is a legal proceeding similar to a civil trial in state district court.

A landowner with a tract of land at least 25 acres or more, that is partially or wholly located within the requested area, may file a written request with the Commission to be excluded from the requested area ("opt out") within (30) days from the date that notice was provided by the Utility. All opt out requests must include a large scale map and a metes and bounds description of the landowner's tract of land.

Austin, TX 78711-3326

In addition, the landowner must also send a copy of the opt out request to the Utility. Staff may request additional information regarding your request.
