NOTICE OF APPLICATION TO OBTAIN A CERTIFICATE OF CONVENIENCE AND  
NECESSITY (CCN) FOR THE PROVISION OF WATER SERVICE IN HUNT COUNTY, TEXAS

To: Sabine River Authority  
(Name of neighboring systems, cities and landowners)  
12777 State Hwy 87  
(Address)  
Orange TX 77632  
(City State Zip)

Date Notice Mailed: 6, 2017

Lil Countryside Water Supply Corporation has submitted an application with the Public Utility Commission of Texas to obtain a CCN to provide water service in Hunt County.

The proposed utility area is located within approximately 5 miles Southwest of downtown Quinlan, Texas, and is generally bounded on the north by CR 2400; on the east by CR 2316; on the south by CR 2316 and CR 2320; and on the west by CR 2400.

The total area being requested includes approximately 573 acres and serves 15 current customers.

See enclosed map of the proposed service area.

You may request a public hearing. A request for a public hearing must be in writing and include: (1) your name, mailing address, and daytime telephone number; (2) the Utility name, docket number or another recognizable reference to this application; (3) the statement, "I/we request a public hearing"; (4) a brief description of how you or the persons you represent would be adversely affected by the granting of the application for a CCN; and (5) your proposed adjustment to the application which would satisfy your concerns and cause you to withdraw your request for a hearing.

Hearing requests, comments or requests to intervene should be filed with the:

Public Utility Commission of Texas  
Central Records  
1701 N. Congress, P. O. Box 13326  
Austin, TX 78711-3326

within thirty (30) days from the date of this publication or notice. A public hearing will be held only if a legally sufficient hearing request is received or if the Commission on its own motion requests a hearing. Only those individuals who submit a written request will receive notice if a hearing is scheduled.

If a valid public hearing is requested, the Commission will forward the application to the State Office of Administrative Hearings (SOAH) for a hearing. If no settlement is reached and an evidentiary hearing is held, SOAH will submit a recommendation to the Commission for a final decision. An evidentiary hearing is a legal proceeding similar to a civil trial in state district court.

A landowner with a tract of land at least 25 acres or more, that is partially or wholly located within the requested area, may file a written request with the Commission to be excluded from the requested area ("opt out") within (30) days from the date that notice was provided by the Utility. All opt out requests must include a large scale map and a metes and bounds description of the landowner's tract of land.
