ESTABLISHING DEADLINES AND OPPORTUNITY TO CURE

This Order addresses Commission Staff's June 23, 2017, recommendation that the application of Chuck Bell dba Chuck Bell Water System, LLC and Undine Texas, LLC is still deficient and not administratively complete as specifically described in Staff's pleading and in the attached memorandum of Sean Scaff in the Commission's Water Utility Regulation Division. Applications are not considered filed until a determination of administrative completeness is made;¹ thus, at this time this application is not considered filed with the Commission.

Consistent with Commission Staff's recommendation, the application remains administratively incomplete and deficient. On or before July 21, 2017, applicants shall amend the application to cure the deficiencies noted by Commission Staff. On or before August 16, 2017 Commission Staff shall file a supplemental recommendation regarding administrative completeness of the amended application and propose additional deadlines, as appropriate.

Signed at Austin, Texas the 28th day of June 2017.
