PUBLIC UTILITY COMMISSION 2018 FEB 08 PM 2:59

OF TEXAS

**ORDER NO. 8
REQUIRING RESPONSE FROM APPLICANTS**

This Order addresses Commission Staff's February 8, 2018, recommendation that the application of Chuck Bell dba Chuck Bell Water System, LLC and Undine Texas, LLC for the sale, transfer or merger of facilities and certificate right in Johnson and Tarrant Counties remains deficient and not administratively complete. Commission Staff stated that applicants failed to provide required information to complete the application by January 19, 2018, the deadline established in Order No. 7.

In addition to addressing the continuing deficiencies with the application, Commission Staff indicated that after discussions with counsel for applicants, it is Staff's understanding that Chuck Bell no longer wishes to sell its water assets to Undine and has not wanted to for some time.

No later than February 28, 2018, applicants shall file notice of their intentions in this docket and if appropriate submit a motion to withdraw the application.

Signed at Austin, Texas the 20th day of February 2018.
