**ORDER NO. 9  
GRANTING MOTION AND DISMISSING THE APPLICATION**

On February 20, 2018, Order No. 8 was issued requiring that applicants file notice of their intentions in this docket and if appropriate submit a motion to withdraw the application. Commission Staff had previously indicated that after discussions with counsel for applicants, it had become Staff's understanding that Chuck Bell no longer wished to sell its water assets to Undine.

On February 22, 2018, Undine Texas, LLC filed a motion to withdraw the application. Undine stated that it had been unable to reach acceptable terms with Chuck Bell Water System, LLC for the sale of the systems.

Under 16 Texas Administrative Code (TAC) § 22.181(g)(1) a party that initiated a proceeding may withdraw its application at any time before that party has presented a direct case. Applicants have not presented a direct case in this proceeding.

Accordingly, in accordance with 16 TAC § 22.181(g)(5), the request to withdraw the application is granted and the application is dismissed without prejudice to re-filing.

This docket is now closed.

Signed at Austin, Texas the 27th day of February 2018.
