**COMMISSION STAFF'S COMMENTS ON AMENDED APPLICATION AND
REQUEST FOR EXTENSION**

Comes now the Staff ("Staff") of the Public Utility Commission of Texas ("Commission"), representing the public interest, and files its Comments on Amended Application and Request for Extension in response to Order No. 2. In support thereof, Staff would show the following:

I. Background and Request

On April 11, 2017, Concho Rural Water Corporation ("Concho" or "Applicant") filed an application to amend its water certificate of convenience and necessity ("CCN") No. 11361 in Tom Green County. The proposed new service area being requested includes approximately 388 acres. On May 12, 2017, the Administrative Law Judge (the "ALJ") issued Order No. 2, requiring Concho to amend its application to cure noted deficiencies by June 9, 2017.

Concho did not file an amended application by June 9, 2017, or by the time this pleading was filed. Staff has attempted to contact the representative of Concho, but he was not available to comment on the status of the amended application. Therefore, Staff respectfully requests that the ALJ extend the deadline for Concho to file an amended application until July 14, 2017, and the deadline for Staff to file a supplemental recommendation based on Concho's amended filing until July 28, 2017.

II. Conclusion

Staff respectfully requests issuance of an order consistent with the above request.
