SOAH ORDER NO. 10
REQUIRING STATUS REPORT, AGREED PROCEDURAL
SCHEDULE, OR MOTION TO REMAND

On December 8, 2017, San Patricio County Municipal Utility District No. 1 (the MUD) filed a status report indicating that the MUD and Camp Stryker RV Park (Appellant) were continuing to work towards a settlement of this appeal. Specifically, the report stated that the parties agreed to return to the rates the MUD was charging Appellant prior to the rate change at issue. However, the parties had yet to resolve the issue of reimbursement of collected rates. According to the report, the MUD would file a settlement agreement as soon as it was reached. No agreement has been filed, and there has been no update on the status of the settlement in over two months.

The parties are **ORDERED** to file with the undersigned Administrative Law Judge, by **no later than February 23, 2018**, one of the following:

- a joint written report regarding the status of their settlement negotiations;
- a proposed procedural schedule with agreed dates for a final hearing on the merits; or
- a motion to remand this case to the Commission based on a settlement agreement between the parties.

SIGNED February 14, 2018.
