**ORDER NO. 3
FINDING APPLICATION INCOMPLETE;
ESTABLISHING DEADLINES AND OPPORTUNITY TO CURE**

This Order addresses Commission Staff's July 7, 2017, recommendation that Texas Water Systems, Inc.'s application be found deficient for the reasons specified in the pleading and the attached memorandum of Sean Scaff, Janie Kohl, and Jonathan Ramirez of the Commission's Water Utility Regulation Division. Commission Staff also recommended that TWS be given an opportunity to cure the identified deficiencies and proposed deadlines for continued processing of the application.

Consistent with Commission Staff's recommendation, TWS's application is deemed deficient. Applications are not considered filed with the Commission until a determination of administrative completeness is made; thus, at this time TWS's application is not considered filed with the Commission.

On or before **July 28, 2017**, TWS shall amend the application to cure the deficiencies noted by Commission Staff. Processing of the application cannot proceed until the requested items are received and reviewed. On or before **August 4, 2017**, Commission Staff shall submit a supplemental recommendation on the amended application.

Signed at Austin, Texas the 16th day of July 2017.
