Re: Class B Rate/Tariff Change Application for Texas Water System Docket No. 47091.  
Response to COMMISSION STAFF'S SUPPLEMENTAL RECOMMENDATION ON  
ADMINISTRATIVE COMPLETENESS

The applicant needs to file a complete notice of proposed rate change to be proved to customers including:

- o Billing comparisons
- o Information on how to protest the rate increase, and
- o **The notice of proposed change calculation sheet**

My apologies, when I sent in the original response to this notice, I printed off the Notice of Proposed Rate Change notice from my computer. This notice sent to the PUC was generated after the PUC made changes to the web page to allow for editing. I have attached a copy of the original Notice of proposed Rate Change notice that was sent to all the customer for this rate filing.

This document is prepared under oath and the name of witness who can sponsor the answers is Belinda Tompkins, Office Administrator.

Original and three copies have been provided as requested
