**ORDER NO. 4
DEEMING APPLICATION ADMINISTRATIVELY COMPLETE,
ADDRESSING NOTICE; AND ESTABLISHING PROCEDURAL SCHEDULE**

This Order addresses Commission Staff's August 15, 2017 recommendations in Petra Firma Development Group, Inc.'s application for a water certificate of convenience and necessity in Tom Green County. Commission Staff recommended the application be deemed administratively complete and that Petra Firma be required to provide notice consistent with the memorandum of Janie Kohl of the Commission's Water Utility Regulation Division. Commission Staff proposed a procedural schedule for continued processing of the application and noted that Petra Firma has not yet received approval of its submitted plans and specifications for the proposed drinking water system from the Texas Commission on Environmental Quality (TCEQ). Commission Staff stated that failure to timely submit proof of TCEQ approval could result in dismissal of this application and requested that Petra Firma notify the Commission within ten days of receipt of any TCEQ disapproval letter.

Consistent with Commission Staff's recommendation, the application is deemed sufficient and administratively complete. Petra Firma shall provide notice of this petition consistent with Commission Staff's August 15, 2017, recommendation and use the forms provided therein. Petra Firma shall notify the Commission within ten days of receipt of any TCEQ disapproval letter. The procedural schedule proposed by Commission Staff is adopted, as follows:
