ORDER ADDRESSING PRELIMINARY ORDER

This order addresses the application of Petra Firma Development Group, Inc. for a new water certificate of convenience and necessity in Tom Green County. On February 6, 2018, the Upper Colorado River Authority, the only party that filed a hearing request in this case, withdrew its request for a hearing.¹ On February 7, 2018, Commission Staff filed a motion requesting that the SOAH ALJ remand this proceeding to the Commission.²

The Commission was scheduled to consider and possibly adopt a preliminary order in this docket at its February 15, 2018 open meeting. In light of developments in this case, the Commission will not consider whether a preliminary order should be adopted at that meeting. If necessary, the Commission will consider and possibly adopt a preliminary order at a later date.

SIGNED AT AUSTIN, TEXAS the 7th day of February 2018.
