**COMMISSION STAFF'S MOTION TO REVISE PROCEDURAL SCHEDULE**

**COMES NOW** the Staff of the Public Utility Commission of Texas (Staff), representing the public interest, and files this Motion to Revise Procedural Schedule. In support thereof, Staff shows the following:

**I. BACKGROUND**

On April 24, 2017, Petra Firma Development Group, Inc. (Petra Firma) filed an application for a new water certificate of convenience and necessity (CCN) in Tom Green County, Texas. The total new service area being requested includes approximately 1,145 acres and zero current customers.

On January 22, 2018, the Commission referred this matter to the State Office of Administrative Hearings (SOAH). On February 6, 2018, the Upper Colorado River Authority withdrew its request for hearing. On February 14, 2018, SOAH Order No. 3 was issued, canceling a prehearing conference, remanding this case to the Commission for further processing, and dismissing the matter from the SOAH docket. On February 22, 2018, Order No. 8 was issued, granting an extension of time, adopting a procedural schedule, and establishing a deadline of April 20, 2018, for Staff to file a final recommendation on the application. This pleading is therefore timely filed.

**II. REVISED PROCEDURAL SCHEDULE**

In order to allow additional time for review of the final map, certificate, and tariff, Staff requests that the following revised procedural schedule be adopted. Staff has conferred with Petra Firma, which does not oppose the revised schedule.

<b>Event</b>	<b>Date</b>
Deadline for Petra Firma to file signed consent forms with the Commission	May 4, 2018
Deadline for Staff to file a final recommendation on the Application	May 11, 2018
Deadline for parties to file joint proposed findings of fact and conclusions of law	May 18, 2018

### **III. CONCLUSION**

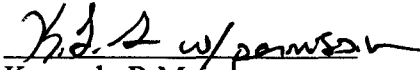

Staff respectfully requests the entry of an order adopting the above revised procedural schedule.

Respectfully Submitted,
