**ORDER NO. 2
FINDING APPLICATION INCOMPLETE AND DEFICIENT,
ESTABLISHING DEADLINES AND OPPORTUNITY TO CURE**

This Order addresses Commission Staff's May 24, 2017 recommendation on sufficiency of the application. Commission Staff recommended the application is not administratively complete because it contains material deficiencies, as specifically described in the memorandum of Janie Kohl, Water Utility Regulation Division. Consistent with Commission Staff's recommendation, Petra Firma's application is found administratively incomplete and deficient. Under 16 Texas Administrative Code § 24.8(a), applications are not considered filed until a determination of administrative completeness is made; thus, at this time the application is not considered filed with the Commission.

On or before June 23, 2017, the applicant shall amend the application to cure the deficiencies noted by Commission Staff. Processing of the application cannot proceed until the requested items are received and reviewed.

On or before July 24, 2017, Commission Staff shall file additional comments regarding administrative completeness, along with a proposed procedural schedule, if appropriate.

Signed at Austin, Texas the 31ST day of May 2017.
