**RE: First Revision to Tariff Control 47096,
-Revised Tariff Pages**

On 4/21/17, Consolidated Communications of Fort Bend (CCFB) filed an Application Notice for existing basic services pursuant to Substantive Rules 26.207 and 26.208 pursuant to the Commission's rate rebalancing order in Docket No. 41097.

The four (4) tariff pages transmitted in the original filing package (numbered as pages 10-13 within the original package) lost header/footer formatting when converted to a .pdf document and consequently were filed absent of header/footers. This filing contains the properly formatted tariff pages, which now include the appropriate headers and footers to replace those in the original CCFB filing package for the Tariff Control No. 47096 filing.

This filing is being made electronically in accordance with the Commission's electronic filing guidelines, as well as filing the hard copy with the Commission.

If you have any questions, please call me at 916-786-1597 or floyd.jasinski@consolidated.com or Scott Kitchen at 936-521-7736, scott.kitchen@consolidated.com.

Sincerely,

/s/ Floyd Jasinski
