Re: Request for regional service-provider certification under Texas Tax Code § 151.355
by CC Water Works, Inc. (PUC Control No. 47147)

Dear Mr. Ulmann:

The Public Utility Commission received the attached request from CC Water Works, Inc. for regional service-provider certification under Texas Tax Code § 151.355. Under that section the authority to address the request lies with the Texas Commission on Environmental Quality.

I am forwarding the request to you so that it may be properly addressed. The requestor is being advised of this action by copy of this letter. We will now close this matter in our records.

Thank you for your assistance with this matter.

Sincerely,

A handwritten signature in black ink, appearing to read "Stephen Journeay".

Stephen Journeay, Director
Commission Advising & Docket Management Division

PUBLIC UTILITY COMMISSION
FILING CLERK

Re: Regional Service Provider Certification by CC Water Works, Inc. Pursuant to Texas Tax Code Section §15.001(13) and Texas Tax Code §151.355.

This petition is a result of CC Water Works, Inc. Board action on March 1, 2017 authorizing a petition to the Public Utility Commission of Texas (PUCT) for Tax-Exempt status in accordance with Section §15.001(13) of the Texas Tax Code and Section §151.355 of the Texas Tax Code.

CC Water Works Inc. meets the PUCT's requirements for a regional service provider as follows:

- One owner and one large system which serves several different communities or subdivisions. CC Water Works, Inc. is the only owner and includes the following SIX subdivisions: Coles Crossing, Falcon's Point, Eagle Heights, Katie's Creek, Sellers Station, and Winfree Oaks. The total number of connections served is 415.

We understand that the PUCT may disapprove this request and revoke subsequent certification at any time if the PUCT determines that the information provided in this request is false or misleading.

Please note that the signature below attests that the information provided above is true and complete.

Sincerely,

Alan J. Karl
President
