**ORDER NO. 2  
FINDING APPLICATION ADMINISTRATIVELY COMPLETE,  
ESTABLISHING DEADLINES**

This Order addresses Commission Staff's August 3, 2017, recommendation regarding the application of Kerr County Water Systems, LLC. Commission Staff recommended that the application be found administratively complete. Commission Staff also recommended the effective date of the rate change should be moved to August 6, 2017. KCWS mailed notice on July 1, 2017, and proposed an effective date of August 1, 2017. Under Texas Water Code § 13.1871(b) notice must be provided at least 35 days before the proposed effective date; therefore, the earliest date for a rate increase to become effective is August 6, 2017.

Consistent with Commission Staff's recommendation, the application is deemed administratively complete and is accepted for filing. Additionally, the effective date for a rate increase will be August 6, 2017. The following procedural schedule is adopted as proposed by Commission Staff:
