**SOAH ORDER NO. 3  
CONTINUING ABATEMENT OF CASE,  
APPROVAL OF INTERIM RATES,  
AND WAIVER OF STATUTORY DEADLINE**

On April 6, 2018, Staff of the Public Utility Commission of Texas (Commission) (Staff) filed a Status Report and Joint Request for Interim Rates (Status Report). In the Status Report, Staff represented that it had reached an agreement on final rates with the only other party to the case, Kerr County Water Systems, LLC (Applicant).

Staff requested that this case continue to be abated while the settlement documents are finalized. Staff noted that the statutory deadline for this case is April 23, 2018, and that Commission approval of rates is unlikely before that deadline. As a result, the Applicant has agreed to waive the statutory deadline. The ALJ finds that the statutory deadline has been waived and the effective date of the final proposed rates are suspended until the Commission enters an order in this case.<sup>1</sup>

Based on the agreement of the parties, interim rates are approved as follows:
