STATUS REPORT

COMES NOW the Staff (Staff) of the Public Utility Commission of Texas (Commission), representing the public interest, and files this Status Report. In support thereof, Staff shows the following:

I. BACKGROUND

On July 3, 2016, Kerr County Water Systems, LLC (KCWS) filed an application for a water rate/tariff change with an effective date of August 1, 2017. KCWS currently has approximately 88 connections. At the July 18, 2019 Open Meeting, the Commissioners requested clarifying information regarding the settlement. An Order Requesting Information was filed July 19, 2019, requesting additional information to be filed that can readily be admitted into evidence.

On September 3, 2019, an Order Requiring Status Reports was issued, requiring parties to file a status report every 30 days from the date of the order until the requested information is filed. Therefore, this report is timely filed.

II. STATUS

Staff is working to provide the requested information in a timely manner and, due to internal restructuring, needs more time to ensure that the information is up to date and conforms with current policies. Staff will continue to diligently work on preparing the information so that it can be readily admitted into evidence and considered by the Commission.

III. CONCLUSION

Staff respectfully requests that the Commission accept this Status Report.

Dated: December 4, 2019
