**APPLICATION OF KERR COUNTY § PUBLIC UTILITY COMMISSION
WATER SYSTEMS, LLC FOR §
AUTHORITY TO CHANGE RATES § OF TEXAS**

**ORDER NO. 8
REQUIRING CLARIFICATION FROM THE PARTIES**

On September 30, 2020, the parties filed a second amended unanimous stipulation and settlement agreement. Attached to the second amended agreement is a proposed new tariff for Kerr County Water Systems, LLC.

The administrative law judge (ALJ) requires clarification of an issue regarding the proposed tariff. Among other things, the proposed tariff specifies new monthly rates for Kerr County Water based on meter size. According to the tariff, \$23.82 will be charged for a 5/8-inch meter “or” a 3/4-inch meter, and \$35.73 will be charged for a 3/4-inch meter. Because two different rates cannot be charged for a 3/4-inch meter, the parties are directed to clarify their intent or file a revised proposed tariff. They must do so by October 20, 2020.

Signed the 6th day of October 2020.
