FILING CLERK

Dear Sirs:

Attached are 2 separate affidavits, copies of the actual notices that were mailed out, and a copy of the map. The first affidavit is the publisher's affidavit signed and dated by Gilmer Mirror newspaper. The notices were published in the newspaper on October 5th and October 12th, copies of both articles are provided. The second affidavit is the notice to current customers, neighboring utilities and affected parties. There is a second sheet, to this due to there being more notices sent out than there was room for on the affidavit provided by the PUC.

If you require any additional information please advise.

Sincerely,
