DEEMING APPLICATION DEFICIENT,
ESTABLISHING DEADLINES AND OPPORTUNITY TO CURE**

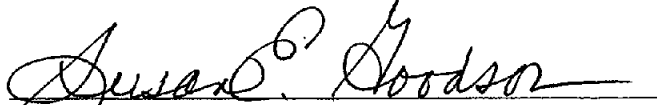

This Order addresses Commission Staff's June 23, 2017, recommendation that Union Grove Water Supply Corporation's application be found deficient for the reasons specified in the pleading and the attached memorandum of Jolie Mathis and Tracy Montes of the Commission's Water Utility Regulation Division. Commission Staff also recommended that Union Grove be given an opportunity to cure the identified deficiencies and proposed deadlines for continued processing of the application.

Consistent with Commission Staff's recommendation, Union Grove's application is deemed deficient. Applications are not considered filed with the Commission until a determination of administrative completeness is made; thus, at this time Union Grove's application is not considered filed with the Commission.

On or before July 18, 2017, Union Grove shall amend the application to cure the deficiencies noted by Commission Staff. Processing of the application cannot proceed until the requested items are received and reviewed. On or before July 31, 2017, Commission Staff shall submit a supplemental recommendation on the amended application.
