**ORDER NO. 6
ESTABLISHING DEADLINE**

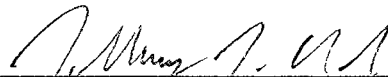

This Order addresses Commission Staff's February 14, 2018 recommendation on administrative completeness of the City of Austin's application. Commission Staff stated that the City of Austin's application continues to remain deficient. Commission Staff noted that the City of Austin failed to comply with Order No. 5, which established a January 15, 2018 deadline for the City to cure the application. The City of Austin filed a response to Commission Staff's comments on February 15, 2018. The City suggested that the submission cures the deficiencies identified by Staff.

The City has been provided numerous opportunities to cure the deficiencies, but has failed to do so. Additionally, the City completely failed to comply with Order No. 5.

On or before March 15, 2018, Commission Staff shall file a recommendation on whether the City's February 15, 2018 filing cured the deficiencies. If the application remains deficient dismissal under 16 Texas Administration Code § 22.181(d)(7) may be appropriate.

Signed at Austin, Texas the 22nd day of February 2018.
