PUBLIC UTILITY COMMISSION OF TEXAS
NOTICE OF APPLICATION FOR APPROVAL OF A SERVICE AREA CONTRACT AND
TO AMEND WATER CERTIFICATES OF CONVENIENCE AND NECESSITY

Notice is given to the public of the filing with the Public Utility Commission of Texas (commission) of an application for approval of an agreement that would amend water certificates of convenience and necessity (CCNs) in Ellis County.

Docket Style and Number: Application of City of Midlothian and City of Grand Prairie for Approval of a Service Area Contract Under Texas Water Code § 13.248 and to Amend Certificates of Convenience and Necessity in Ellis County; Docket Number 47265.

The Application: Midlothian holds water CCN No. 11706 and Grand Prairie holds water CCN No. 10105. Midlothian and Grand Prairie have agreed to amend their respective CCNs to transfer a portion of certificated service area from Midlothian's water CCN No. 11706 to Grand Prairie's CCN No. 10105 so that Grand Prairie may supply water to customers located within its corporate limits and extraterritorial jurisdiction. Currently, there are no retail water customers of Midlothian being served in the area to be transferred to Grand Prairie.
