**APPLICATION OF COMMONS § PUBLIC UTILITY COMMISSION
WATER SUPPLY, INC. FOR §
AUTHORITY TO CHANGE RATES § OF TEXAS**

**NOTICE OF CONFIDENTIAL FILING BY
COMMONS WATER SUPPLY, INC.**

Commons Water Supply, Inc. ("Commons"), submits this notice, pursuant to the Protective Order in this case, that it has today submitted under seal certain documents in response to Commission Staff's Fifth Set of Requests for Information.

In response to Request for Information (5-8), Commons produced copies of financials under seal, which were labeled Attachment 5-8. The financials qualify as Highly Sensitive Protected Materials under the Protective Order because they contain market-sensitive information, and information related to business operations that is commercially sensitive.

Counsel for Commons has reviewed the information sufficiently to state in good faith that the information is exempt from disclosure and the Highly Sensitive designation given to it.

Respectfully submitted,

COZEN O'CONNOR
