SOAH ORDER NO. 6  
MEMORIALIZING PREHEARING CONFERENCE

On February 27, 2018, a prehearing was convened at the hearing facility of the State Office of Administrative Hearings (SOAH) in Austin, Texas. Tammy W. Shea appeared for the applicant, The Commons Water Supply, Inc. (The Commons) and Eleanor D'Ambrosio appeared for staff (Staff) of the Public Utility Commission of Texas (Commission). No other parties appeared.

At the prehearing, The Commons and Staff discussed notice for the prehearing. Staff advised that the public notice for the prehearing was appropriate. Despite having received notice as per Texas Water Code § 13.042(a), and despite having had the intervention period extended until the date of the prehearing, no ratepayer intervened. As a result, The Commons and Staff are the only two parties to this case. The Administrative Law Judge (ALJ) finds that the notice provided for the prehearing was legally sufficient, and the intervention period is now closed. The parties apprised the ALJ that they have worked out issues related to requests for information, and there are no pending discovery disputes. The parties also apprised the ALJ that they are preparing to proceed to hearing on **March 26-27, 2018**, as established in SOAH Order No. 5.

**SIGNED March 12, 2018.**
