COMMISSION STAFF'S CLARIFICATION

Comes now the Staff (Staff) of the Public Utility Commission of Texas (Commission), representing the public interest, and files this Clarification in response to Order No. 2. In support thereof, Staff would show the following:

I. Clarification Regarding Richard Deming

On July 14, 2017, Staff filed its Statement of position in this case, recommending, among other things, that Richard Deming should be dismissed from this proceeding due to a lack of completing the informal complaint process. However, it does appear that Richard Deming has completed the informal complaint process, initiating a complaint on December 27, 2016, with a resolution on January 3, 2017.¹ Staff therefore recommends that Richard Deming be included among those that have completed the informal complaint process and should not be dismissed from this proceeding.

¹ Complaint No. CP2016120595.

Date: August 4, 2017

Respectfully Submitted,
