SOAH ORDER NO. 5  
GRANTING MOTION TO ABATE SCHEDULE

On October 19, 2017, West Wise Special Utility District (District) filed an agreed motion requesting that the Administrative Law Judge (ALJ) abate the procedural schedule in this case. The District asserted that it had reached settlement with ratepayer Sharon Boyette and the abatement will allow the parties to conserve resources until the settlement is fully effective upon approval of the District's board of directors. The District indicates that the Staff of the Public Utility Commission of Texas does not oppose the abatement.

Therefore, the ALJ grants the District's October 19, 2017 motion and abates the schedule in this case. The District must inform the ALJ of what action the board took on the proposed settlement **within 10 days** of the board's action by either submitting a motion to dismiss and remand or a revised procedural schedule.

SIGNED October 25, 2017.
