DOCKET NO. 47315

**APPLICATION OF CHATEAU WOODS §
MUNICIPAL UTILITY DISTRICT TO §
AMEND A SEWER CERTIFICATE OF §
CONVENIENCE AND NECESSITY IN §
MONTGOMERY COUNTY §**

**PUBLIC UTILITY COMMISSION
OF TEXAS**

2018 APR 12 6 PM 12:45
COMMUNICATIONS SECTION

**ORDER NO. 7
DEEMING NOTICE SUFFICIENT AND
ESTABLISHING PROCEDURAL SCHEDULE**

This Order addresses Commission Staff’s March 5, 2018 supplemental recommendation that the notice of this application provided by the Chateau Woods Municipal Utility District was sufficient. Commission Staff stated Staff has reviewed the proof of notice documentation filed by CWMUD on November 17, 2017, February 22, 2018, and March 2, 2018, and recommends that CWMUD's notice be found sufficient.

On December 5, 2017, the City of Oak Ridge North filed a request to intervene, which was granted by Order No. 5 on December 14, 2017. Oak Ridge North's request to intervene also requested a hearing on CWMUD's application. On March 2, 2018, a letter from Oak Ridge North was filed withdrawing Oak Ridge North's objections to CWMUD's application. Staff therefore does not recommend that this proceeding be referred to the State Office of Administrative Hearings. Commission Staff also recommended a procedural schedule for continued processing of this application.

Consistent with Commission Staff’s recommendation, the notice provided by CWMUC is sufficient. Additionally, Commission Staff’s procedural schedule is adopted as proposed:

Event	Date
Deadline for Commission Staff to provide final maps, certificates, and tariffs (if applicable), to applicants for review and consent	April 23, 2018
Deadline for applicants to file signed consent forms	May 7, 2018
If no hearing is requested, deadline for Commission Staff to file a final recommendation on the application	May 14, 2018
If no hearing is requested, deadline for parties to file joint proposed findings of fact, conclusions of law, and ordering paragraphs	May 21, 2018

Signed at Austin, Texas the 6th day of March 2018.

PUBLIC UTILITY COMMISSION OF TEXAS
