## SOAH DOCKET NO. 473-18-0207 PUC DOCKET NO. 47379

APPLICATION OF THE CITY OF GARLAND TO AMEND A CERTIFICATE OF CONVENIENCE AND NECESSITY FOR THE DENT ROAD TO SHELBY 138-KV TRANSMISSION LINE IN HUNT COUNTY S BEFORE THE STATE OFFICE
S OF
S ADMINISTRATIVE HEARINGS

## **DIRECT TESTIMONY OF**

## HARRY BAUMANN

- 1 Q. PLEASE STATE YOUR NAME AND ADDRESS.
- 2 A. My name is Harry Baumann.
- 3 My address is:
- 4 10 Waters Edge CT.
- 5 Heath, TX, 75032
- 6 Q. DO YOU OPPOSE THE ROUTING OF THE DENT ROAD TO SHELBY
- 7 138-KV TRANSMISSION LINE BEING ON YOUR PROPERTY?
- A. Yes, my property is on Segment 6 on Routes G and H. I oppose both routes. The proposed line does not follow my property lines. Instead the transmission line would go through the middle of my property. The land is zoned retail. I am building a structure for retail, office, and restaurant space. My property is only 14 acres, much too small to have my structure and a transmission line going through the middle of the property.

15 Q. IS THERE A ROUTE YOU SUPPORT?

14

- 1 A. Yes I support Route F. It contains Segments 1R-3R-8-15-13-12-22-38-39a-
- 2 39b-54-56-58. This route would comply with Greenville's plan for the
- 3 growth of the City.
- 4 Q. DO YOU BELIEVE THE ROUTE YOU DESCRIBE IS IN KEEPING WITH
- 5 **COMMUNITY VALUES?**
- 6 A. Yes, Greenville's plan for the growth of the city should be considered a
- 7 community value since it has been planned to benefit the citizens of the
- 8 City. Greenville requested that its development plan be given
- 9 consideration. It will bring jobs for its citizens and make more resources
- 10 available for them.
- 11 Q. DOES THIS COMPLETE YOUR TESTIMONY?
- 12 A. Yes, it does.
