FINDING APPLICATION DEFICIENT,
ESTABLISHING DEADLINES AND OPPORTUNITY TO CURE**

This Order addresses Commission Staff's August 11, 2017, recommendation on administrative completeness of Horseshoe Bay Water Utility's application. Commission Staff recommended the application be found deficient for the reasons specified in the pleading and the attached memorandum of Elisabeth English of the Commission's Water Utility Regulation Division.

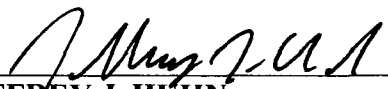

Consistent with Commission Staff's recommendation the application is deficient. Applications are not considered filed with the Commission until a determination of administrative completeness is made;¹ thus, at this time Horseshoe Bay's application is not considered filed with the Commission.

On or before September 11, 2017, Horseshoe Bay shall amend the application to cure the deficiencies noted by Commission Staff. Processing of the application cannot proceed until the requested items are received and reviewed.

On or before October 9, 2017, Commission Staff shall submit a supplemental recommendation on the amended application.

Signed at Austin, Texas the 14th day of August 2017.
