Re: Project No. 47459- *Application of Santa Rita Wind Energy LLC for Renewable Energy Credit Generator Certification*

### **NOTICE OF APPROVAL**

On July 31, 2017, Santa Rita Wind Energy LLC filed an application to certify its Santa Rita Wind Energy LLC facility as a Renewable Energy Credit (REC) generator under 16 Texas Administrative Code § 25.173(o) (TAC).

Santa Rita Wind Energy LLC is registered as a power generation company and its registration number is 20437. Santa Rita Wind Energy LLC indicated that the metered generation eligible for RECs for the facility is 300 MW.

Following a review of the application, Commission Staff concluded that all of the information required under 16 TAC § 25.173(o) had been provided and that the facility qualified as a renewable resource under 16 TAC § 25.173(e). On August 22, 2017, Commission Staff filed an amended recommendation that the facility be certified as a REC generator.

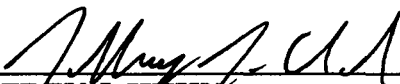

Consistent with Commission Staff's recommendation, the application is approved. Any subsequent changes to the information provided in this application shall be filed with the Commission as supplements to this filing within 30 days of such changes.

A handwritten signature, possibly "S", located in the bottom right corner of the page.

Signed at Austin, Texas the 28<sup>th</sup> day of August 2017.
