Re: SOAH Docket No. 473-17-5481; PUC Docket No. 47461 – *Application of Southwestern Electric Power Company for Certificate of Convenience and Necessity Authorization and Related Relief for the Wind Catcher Energy Connection Project*

Dear Judges Frazee and Harvel:

Southwestern Electric Power Company (SWEPCO) is authorized to represent that the parties in this proceeding have agreed to October 20, 2017 as the intervention deadline in this case. Additionally, SWEPCO is authorized to represent that the Public Utility Commission Staff has reviewed SWEPCO's proposed notice in this proceeding and recommends approval of the proposed notice. Therefore, SWEPCO requests that the proposed notice be approved in an order so that SWEPCO may commence providing notice.

Because of the resolution of the issues addressed above, the parties are not aware of any outstanding issues to be addressed at the prehearing conference scheduled for August 18, 2017 and request that it be cancelled.

Sincerely,

A handwritten signature in cursive script that reads "Melissa Gage".
