This Order addresses the request for extension filed on November 20, 2017, on behalf of Dripping Springs Water Supply Corporation, and Commission Staff's supplemental recommendation on administrative completeness filed also on November 20, 2017.

On behalf of the applicant, Neptune-Wilkinson Associates, Inc. requested an extension of time to continue working with Commission Staff to finalize the mapping required to complete the application.

Commission Staff recommended the application be found administratively incomplete. The applicant's request for extension of time to finalize mapping requirements is granted and Commission Staff's proposed deadlines are approved. The application is deemed administratively incomplete at this time. On or before December 21, 2017, Dripping Springs shall finalize the mapping requirements to complete the application. Commission Staff shall file a supplemental recommendation on administrative completeness of the application no later than January 23, 2018.
