APPLICATION OF DRIPPING SPRINGS WATER SUPPLY	§ §	PUBLIC UTILITY COMMISSION
CORPORATION TO AMEND A WATER CERTIFICATE OF	§ §	OF TEXAS COMPASSION FUNDER FILING CLIERK
CONVENIENCE AND NECESSITY IN HAYS COUNTY	§ §	

#### NOTICE OF APPROVAL

This Notice addresses the application of the Dripping Springs Water Supply Corporation (WSC) to amend its water certificate of convenience and necessity (CCN) in Hays County. Commission Staff recommends approval of this application. The Commission approves the application.

The Commission adopts the following findings of fact and conclusions of law:

#### I. Findings of Fact

#### **Applicant Information**

1. Dripping Springs WSC operates, maintains, and controls facilities for providing potable water service for compensation to areas in Hays County under CCN No. 10315.

#### The Application

- 2. Dripping Springs WSC seeks to amend CCN No. 10315 in Hays County.
- 3. The requested area includes approximately 102 acres and no current customers.
- 4. The requested area is located approximately three miles west of downtown Dripping Springs. TX and is generally bounded on the north by US Hwy 290: on the east by Roger Hanks Parkway; on the south by Creek Road; and on the west by Blue Creek Drive.
- 5. Dripping Springs WSC does not currently provide service to the requested area.
- 6. A need for service exists because the amendment will allow Dripping Springs WSC to provide water service to the requested area, which the property owner plans to develop into a 108 single-family lot subdivision.

- 7. Granting the amendment will amend Dripping Springs WSC's CCN boundaries to include the requested area; provide any landowners in the requested area with water service; and have no effect on other retail providers.
- 8. Dripping Springs WSC has one public water system. No. 1050013, approved by Texas Commission on Environmental Quality (TCEQ), which is capable of providing drinking water that meets the requirements of Texas Health and Safety Code chapter 341 and TCEQ rules.
- 9. Dripping Springs WSC's public water system has access to an adequate supply of water.
- 10. Dripping Springs WSC's public water system has no unresolved TCEQ violations.
- 11. There are no other retail public utilities providing water service in the proximate area and Dripping Springs WSC's existing infrastructure may serve the requested area; therefore, obtaining service from an adjacent retail public utility is not necessary.
- 12. Dripping Springs WSC has demonstrated that it has the financial resources to operate and manage the utility and the ability to provide continuous and adequate service to the requested service area.
- 13. The installation of water meter and installation lines to serve each new customer; as well as, any future improvements to meet changing demands will minimally impact the environmental integrity of the land.
- 14. Granting Dripping Springs WSC's application will have no impact improve service or lower costs for current customers in the requested area because there are no existing customers.

#### **Notice**

- 15. On February 20, 2018, Dripping Springs WSC mailed notice of the application to neighboring systems, landowners, and cities and to affected parties.
- 16. On February 15, 2018 and February 22, 2018, Dripping Springs provided notice by publication in the *News Dispatch* circulated in Hays County.
- 17. On February 28, 2018, Dripping Springs WSC filed an affidavit attesting to mailed and published notice, including copies of individual notices, and publisher's affidavits.
- 18. On March 2, 2018, Dripping Springs WSC filed copies of the actual notice mailed to affected parties.

#### Informal Disposition

- 19. More than 15 days have passed since the completion of notice provided in this docket.
- 20. Dripping Springs WSC and Commission Staff are the only parties to this proceeding.
- 21. No issues of fact or law remain disputed by any party; therefore, no hearing is necessary.

#### **Procedural History**

- 22. On August 1, 2017, Dripping Springs WSC filed an application to amend its CCN for its service area in Hays County containing approximately 127 acres and serving no current customers.
- 23. In Order No. 1 issued on August 4, 2017, the administrative law judge (ALJ) required comments on administrative completeness and notice, requested a procedural schedule and addressed other procedural matters.
- 24. On September 1, 2017, Commission Staff filed a recommendation on administrative completeness.
- 25. In Order No. 2 issued on September 5, 2017, the ALJ found the application administratively incomplete and established deadlines and an opportunity to cure.
- 26. On September 14, 2017, Dripping Springs WSC filed supplemental mapping information addressing overlaps and gaps in the existing and requested service areas.
- 27. On October 2, 2017, Dripping Springs WSC filed a request for an extension of time.
- 28. In Order No. 3 issued on October 4, 2017, the ALJ granted the request for an extension to continue working with Commission Staff to finalize mapping.
- 29. On October 10, 2017, Dripping Springs WSC filed supplemental information addressing overlaps and gaps in the existing and requested service areas.
- 30. On November 20, 2017, Dripping Springs WSC filed supplemental mapping information addressing overlaps and gaps in the existing and requested service areas.
