UNDINE TEXAS, LLC'S SUPPLEMENTAL PROOF OF NOTICE BY AFFIDAVIT

Undine Texas, LLC ("Undine") files its Supplemental Proof of Notice by Affidavit and states as follows:

Undine filed an Application for Sale, Transfer, or Merger of Facilities and Certificate Rights in Harris and Montgomery Counties ("Application") on August 7, 2017, with the Public Utility Commission of Texas ("Commission"). On September 27, 2017, pursuant to Order No. 3, Undine filed its Proof of Notice, affirming that notice to current customers in the requested area was completed on September 26, 2017.

Subsequent to filing the Proof of Notice, Undine discovered that notice to the county judges had inadvertently not been provided. Undine files this Supplemental Proof of Notice by Affidavit indicating that notice was sent to the county judges of Harris and Montgomery Counties on October 11, 2017.

Commission Staff's recommendation on notice and proposed procedural schedule was filed on October 9, 2017. Undine respectfully submits that Commission Staff's proposed procedural schedule be adopted and not be delayed because of this additional notice. As noted in Commission Staff's recommendation on administrative completeness, filed on September 7, 2017, because this Application is a "straight transfer" of facilities and certificates (*i.e.*, no changes to existing CCN boundaries are requested), notice is appropriately limited to current customers and does not need to include cities and neighboring retail public utilities. Thus, the

19

most important notices (to current customers) were provided earlier; the additional notices were only to county judges.

Undine respectfully requests that the schedule previously filed by Commission Staff, on October 9, 2017, be adopted.

Respectfully submitted,
