II. GOOD CAUSE

Undine has been diligently working to finalize the consent forms. The Commission has also approved the purchase by Undine of two additional systems owned by Consumer's owners: Community Utility Company (Community)⁶ and Suburban Utility Company (Suburban).⁷ The Commission has established an identical procedural schedule for all three dockets.

Commission Staff timely provided the consent forms to Undine and has created one tariff for all three utilities. Undine requests more time to finalize the tariff before it can sign and file the consent forms in each docket.

Undine requests that the Commission extend the time for filing the signed consent forms for an additional 14 days, until September 26, 2018. Undine also requests that the Commission extend the deadline for parties to file a joint proposed notice of approval with findings of fact, corresponding conclusions of law, and ordering paragraphs for an additional 14 days, until October 3, 2018. Undine has conferred with Commission Staff who have stated that they are unopposed to this Motion.

III. CONCLUSION

Undine respectfully submits that good cause exists for an extension of time to file the signed consent forms, and requests that the Commission issue an order granting the extension of time requested herein. Undine further asks for all other relief in law or equity to which it is entitled.
