ORDER REQUESTING CLARIFICATION

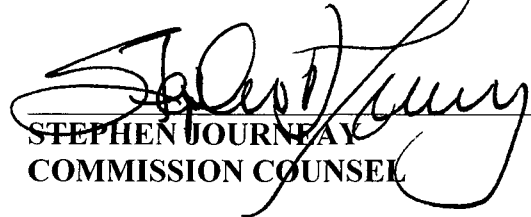

The Commission requests clarification concerning the petition filed by Laurus Holdings, L.P. in Docket No. 48750 to remove properties from the certificated service area of Consumers Water, Inc. The properties that Laurus has petitioned to remove from Consumers' service area, which are identified as Lot 146 and one-half of Lot 147 of the Spring Forest Subdivision, appear to be included in the service area to be transferred from Consumers to Undine Texas, LLC in Docket No. 47477.

The Commission directs Laurus, Undine, Consumers and Commission Staff to file comments within ten days of this order clarifying whether these lots should be excluded from the area to be transferred from Consumers to Undine in Docket No. 47477.

If the properties should be excluded, then Undine and Consumers must file within 30 days of this Order an amendment to their application in Docket No. 47477 along with updated maps. Undine and Consumers must also file an amended certificate and maps for Consumers showing the service areas, if any, Consumers will retain under water certificate number 10347.

Signed at Austin, Texas the 20th day of March 2019.
