**ORDER NO. 12
REQUIRING SUBMISSION OF CORRECTED MAP AND CONSENT**

This Order addresses the need for submission of a corrected map from Commission Staff and new consent form from Undine. In Docket No. 48750, an area of approximately .81 acres was removed from the requested service area held under Certificate of Convenience and Necessity (CCN) number 10347. The requested service area of CCN 10347 is to be transferred to CCN 13260 in the present docket, but without inclusion of the .81 acres. However, the removal of the .81 acres in Docket No. 48750 occurred after the maps and consent form were obtained and admitted into evidence in the present docket. As a result, the submitted map is incorrect.

Therefore, Commission Staff must resubmit the corrected map to Undine for approval and consent in this docket. The only map requiring correction is located on page 62 of the joint submission of evidence, filed on October 3, 2018 in the present docket.¹ The map appears to be styled "47477UndineTXMap13."

On or before June 3, 2019, Commission Staff must submit the map "47477UndineTXMap13" in the present docket, as corrected in Docket No. 48750, and obtain new approval and a consent form from Undine with regard to the map, as corrected. On or before June 7, 2019, the parties must file a joint motion to admit the corrected map and consent form into evidence in the present docket.

¹ Joint Motion for Adoption of Proposed Notice of Approval at 62 (Oct. 3, 2018).
