LANDOWNERS' PETITION TO AMEND	\$	PUBLIC UTILITY COMMISSION
MANVILLE WATER SUPPLY CORPORATION'S	\$	
CERTIFICATE OF CONVENIENCE AND NECESSITY	\$	OF TEXAS
IN TRAVIS COUNTY BY EXPEDITED RELEASE	\$	

MOTION OF MANVILLE WATER SUPPLY CORPORATION
FOR SUMMARY DECISION

Comes now, Manville Water Supply Corporation, Intervenor herein, and moves for Summary Decision on the case in its entirety, pursuant to Section 22.182 of the Rules of the Commission.

1. Manville Water Supply Corporation would show that on the face of the record there is no genuine issue of material fact and that Summary Decision is appropriate as a matter of law
2. The right of the Landowners' to expedited withdrawal has never been placed in dispute, and the Landowners' are entitled to expedited withdrawal from Manville's Certificate of Convenience and Necessity as a matter of law.
3. As set out in Landowners' Reply to Manville's Response and to Commission Staffs' Recommendation on Final Disposition (Item 16) , the Landowners and Manville have agreed that a just and reasonable compensation to Manville Water Supply Corporation for the loss of service area is the sum of \$ 181,500, payable prior to the initiation of retail service by an alternative utility, or on such other terms as the parties may agree.

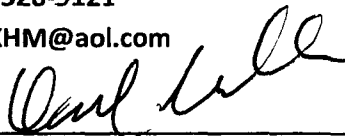

Wherefore Manville prays that Summary Disposition of the entire case be made pursuant to Section 22.182 of the Rules, that Landowners' expedited withdrawal of the subject properties from the Manville CCN be ordered, and that the agreed just and reasonable compensation to Manville in the amount of \$ 181,500 be ordered, and for such other and further relief as may be found appropriate.
