Attention: Central Records File Clerk

Reference: Docket NO. 47527

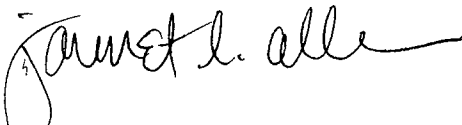

Dear Commission,

I am writing to intervene in the Xcel Energy request for a rate hike.

I do not believe the rate hike is justified by the cost of the production of the electricity. I believe that the data does not support the Xcel Energy's request for the increase. I also believe the request put forth is not fair to their customers and is actually discriminatory. The major increase that they are asking for would put a much heavier burden on the residential customer.

Therefore I ask the commission to deny Xcel Energy's request for rate change.

Sincerely,

Jannet L. Allen
