**ORDER NO. 2
FINDING APPLICATION SUFFICIENT, REQUIRING NOTICE, AND
ESTABLISHING PROCEDURAL SCHEDULE**

This Order addresses Commission Staff’s October 23, 2017, recommendation that the application be deemed sufficient for further review. Commission Staff recommended that the applicants provide notice of the application, and proof of notice, in a manner that is consistent with Commission Staff’s pleading and as specified in the attached memorandum of Debbie Tamayo of the Commission’s Water Utility Division, using the forms attached to the memorandum. Commission Staff also proposed a procedural schedule for continued processing of this application.

In addition, Commission Staff stated that the full name of one of the applicants in this proceeding is “Undine Texas Environmental, LLC formerly EMCAD Water and Wastewater, LLC.” Commission Staff stated that the company’s name change to “Undine Texas Environmental, LLC” is presently before the Commission for consideration. However, Commission Staff did not request restyling of this docket, therefore the docket is not restyled at this time. Finally, Commission Staff discussed the nature of the proposed STM, and indicated supplemental information will be filed.

Consistent with Commission Staff’s recommendation, the application is administratively complete. Applicants shall provide notice of the application and proof of notice in the manner and form described by Commission Staff.

The following schedule shall apply:
