**ORDER NO. 3
FINDING NOTICE SUFFICIENT AND ESTABLISHING
SCHEDULE FOR CONTINUED PROCESSING**

This Order addresses Commission Staff's November 30, 2017 recommendation on the notice provided in this application and proposed procedural schedule. Commission Staff recommended that the notice of this application provided by Gulf Coast Utility Company, Inc. and Undine Texas Environmental, LLC be deemed sufficient. Commission Staff stated that on November 22, 2017, applicants filed affidavits of proof of notice to current customers, neighboring systems, and cities. Notice was completed on November 16, 2017, therefore, the 120-day deadline to approve the sale administratively or require a public hearing is March 16, 2018. Commission Staff proposed a procedural schedule based on that deadline.

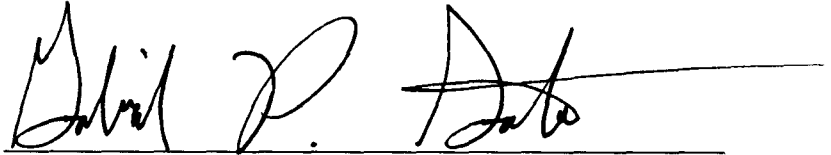

Consistent with Commission Staff's recommendation, the notice is sufficient. The following procedural schedule shall apply:

Event	Date
Notice completed	November 16, 2017
Deadline for intervention	December 18, 2017
Deadline for Commission Staff to request a hearing or file a recommendation on approval of the sale and on issuance of certificate	January 17, 2018
Deadline for parties to file a response to Commission Staff's recommendation	January 31, 2018
120-day deadline for Commission to approval the sale or require a hearing	March 16, 2018
