UNDINE TEXAS ENVIRONMENTAL, LLC'S STATUS REPORT

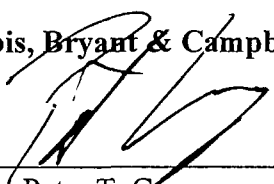

COMES NOW UNDINE TEXAS ENVIRONMENTAL, LLC ("Undine") and files this Status Report in response to Order No. 4. Order No. 4 directed the parties to provide, on a monthly basis beginning February 19, 2018, an update on efforts to complete the transaction. This pleading is therefore timely filed.

As reflected in Undine's Request for Extension (Item No. 29), filed on July 11, 2018, Undine and the seller, Gulf Coast Utility Company, Inc., have been working diligently since the entry of Order No. 4 to close the transaction within the 180-day timeframe. Despite those efforts, the parties recently identified certain unanticipated impediments to closing. Those impediments have been addressed; however, the delay they caused required that the parties reschedule the closing to an anticipated date of August 1, 2018. In order to protect against any other potential short-term delays, Undine sought an extension of 30 days to August 21, 2018, which was granted on July 13, 2018. The parties anticipate closing on August 1, 2018, in advance of the new deadline.

Respectfully submitted,

DuBois, Bryant & Campbell, LLP
