SOAH ORDER NO. 5
REQUIRING STATUS REPORT

On June 28, 2018, Commission staff (Staff) filed a letter in this docket advising that the parties were continuing to toward an agreement in this case, and requested an additional two weeks to give the parties an opportunity to continue negotiations. Staff also advises that, if the parties fail to reach resolution by the end of the two-week period, Staff would file a motion to dismiss.

Staff's request is reasonable and it is **GRANTED**. However, rather than two weeks, the parties will have until **July 26, 2018**, to complete their negotiations. On or before that date Staff **SHALL** file an advisory stating whether an agreement can be reached. If an agreement is not reached by that date, Staff will advise whether a procedural schedule should be adopted that will control this case going forward, in which case the parties **SHALL** submit an agreed procedural schedule with Staff's advisory.

In the alternative, if the parties cannot reach an agreement and/or cannot agree on a procedural schedule, Staff will advise whether this case should be dismissed for want of prosecution, or any other reasonable course of action.

SIGNED July 17, 2018.
