**AMENDED ORDER OF REFERRAL**

The Public Utility Commission of Texas refers this docket to the State Office of Administrative Hearings (SOAH) and requests the assignment of an administrative law judge (ALJ) to conduct a hearing and issue a proposal for decision if necessary to resolve any issues that are contested by the parties. This Order amends the Order of Referral filed on November 6, 2017, by correcting the open meeting date that the Commission will consider and possibly adopt a preliminary order in this docket.

Under Texas Water Code § 13.043, the Commission has jurisdiction to hear an appeal and set the rates of certain entities if it receives a petition for review that has been signed by the lesser of 10,000 or 10% of the ratepayers whose rates have been changed and who are eligible to appeal the change.<sup>1</sup> Over 10% of the eligible ratepayers have signed the petition to appeal the rates in this proceeding. In addition, Commission Staff has requested a hearing on this matter.

In order to develop a list of issues to be addressed in this docket, as well as any necessary statement of Commission policy, precedent, or position on any threshold legal or policy issues relevant to this proceeding, Texas Parks & Wildlife Department and The City Of Goliad, shall, and the Commission Staff and any other interested party may, file with the Commission a list of issues to be addressed in the docket by **November 22, 2017**. This pleading may also identify any issues that should not be addressed in the docket, and identify any threshold legal and policy issues that should be briefed for purposes of a preliminary order. Specific explanations should support any such issues identified in the pleading. Parties shall not file responses to any pleading submitted in response to this order, unless specifically requested.
