ORDER NO. 2
FINDING APPLICATION ADMINISTRATIVELY COMPLETE

This Order addresses Commission Staff's recommendation filed on November 16, 2017 regarding administrative completeness of Rankin Park Maintenance & Utilities Co. Inc.'s application. On the same day, Commission Staff supplemented the filing to include the final tariffs that were inadvertently left out of the initial recommendation. Commission Staff recommended that the application be found administratively complete and accepted for filing, however, Staff stated that Rankin Park sent notice prematurely before it was approved by Staff. Staff recommended that in order for the notice to comply with 16 Texas Administrative Code § 24.36(e), that Rankin Park be required to reissue notice with a revised effective date of January 15, 2018, which is at least 30 days before the effective date of the proposed date established in the Commission's order.

Consistent with Commission Staff's recommendation, Rankin Park's application is deemed administratively complete and is accepted for filing. Rankin Park shall provide by mail, or by email if the ratepayer has agreed to receive communications electronically, the modified notice with the change in effective date to each ratepayer describing the proposed rate adjustment by December 15, 2017, 30 days before the proposed effective date of January 15, 2018.

Signed at Austin, Texas on the 20TH day of November 2017.
