**ORDER NO. 3
FINDING NOTICE SUFFICIENT AND ADOPTING PROCEDURAL SCHEDULE**

This Order addresses Commission Staff's January 29, 2018, recommendation that Guadalupe-Blanco River Authority's (GBRA) notice be found sufficient and the proposed procedural schedule be adopted.

On January 12, 2018, GBRA filed an affidavit of notice to landowners, neighboring utilities, and cities affirming that notice was completed on December 20, 2017. On January 17, 2018, GBRA filed a publisher's affidavit affirming that notice was published in the *Seguin Gazette* on December 24, 2017 and December 31, 2017. GBRA filed corrected affidavits on January 24, 2018.

Consistent with Commission Staff's recommendation, GBRA's completed notice is deemed sufficient. Commission Staff's proposed procedural schedule is adopted as follows:

Notice completed	December 31, 2017
Deadline for intervention	January 30, 2018
Deadline for GBRA to file revised mapping and digital data in response to landowner requests to opt out from the proposed service area	March 1, 2018
Deadline for Commission Staff to file a recommendation on the sufficiency of GBRA's mapping revisions	March 31, 2018

Signed at Austin, Texas the 1st day of February 2018.

PUBLIC UTILITY COMMISSION OF TEXAS
