RE: Tariff Control No. 47762– *Application of MSEC Enterprises, Inc. for a Minor Tariff Change*

NOTICE OF APPROVAL

On November 8, 2017, MSEC Enterprises, Inc. filed an application for approval of minor tariff revisions, specifically, to update the list of subdivisions and public water supply (PWS) system identification numbers owned and operated by MSEC within certificate of convenience and necessity number 12887. On November 3, 2017, MSEC filed an application for approval of a pass-through rate fee in Tariff Control No. 47757.¹

On November 29, 2017, Commission Staff filed an amended recommendation for approval of MSEC's minor tariff changes. Consistent with Staff's recommendation, MSEC's application for minor tariff changes is approved. Since the tariff sheets issued in Tariff Control No. 47757 reflect the updated subdivisions and PWS system identification numbers, tariff sheets are not attached to this Notice.
