## Public Notices

Docket No. 47776 Notice for Publication OF APPLICATION TO AMEND/DECERTIFY A CERTIFICATE OF CONVENIENCE AND NECESSITY (CCN) IN HENDERSON COUNTY, TEXAS

Bethel-Ash Water Supply Corporation, has filed an application with the Public Utility Commission of Texas to amend its Certificate of Convenience and Necessity (CCN) No. 10821 in Henderson County.

The requested area is located approximately 2.2 miles northwest of downtown Athens, Texas, and is generally bounded on the north by 25 mile north of Shore Crest Way, on the east by State Hwy 19, on the south by N.W. Loop Z, and on the west by US Hwy 175.

The requested area includes approximately 418 acres and 5 current customers. A copy of the map showing the requested area is available at 6435 State Highway 19 N Athens, TX 75752.

The requested area overlaps the boundaries of the Trinity River Authority of Texas. If Trinity River Authority of Texas does not request a public hearing, the Commission shall determine that Trinity River Authority of Texas is consenting to the Bethel-Ash Water Supply Corporation's request to provide retail water utility service in the requested area.

Persons who wish to intervene in the proceeding or comment upon action sought should contact the Public Utility Commission, PO Box 13326, Austin, Texas 78711-3326, or call the Public Utility Commission at (512) 936-7120 or (888) 782-8477. Hearing and speech-impaired individuals with text telephones (TTY) may contact the commission at (512) 936-7136. The deadline for

## Public Notices

intervention in the proceeding is (30 days from the mailing or publication of notice, whichever occurs later, unless otherwise provided by the presiding officer). You must send a letter requesting intervention to the commission which is received by that date.

If a valid public hearing is requested, the Commission will forward the application to the State Office of Administrative Hearings (SOAH) for a hearing. If no settlement is reached and an evidentiary hearing is held, SOAH will submit a recommendation to the Commission for final decision. An evidentiary hearing is a legal proceeding similar to a civil trial in state district court.

A landowner with a tract of land at least 25 acres or more, that is partially or wholly located within the requested area, may file a written request with the Commission to be excluded from the requested area ("opt out") within (30) days from the date that notice was provided by the Utility. All opt out requests must include a large scale map and a metes and bounds description of the landowner's tract of land. In addition, the landowner must also send a copy of the opt out request to the Utility. Staff may request additional information regarding your request.

Persons who wish to request this option should file the required documents with the Public Utility Commission of Texas Central Records, 1701 N Congress, P O Box 13326 Austin, TX 78711-3326.

In addition, the landowner must also send a copy of the opt out request to the Utility. Staff may request additional information regarding your request.
